Executive MBA

The program that will transform your career

**EFFECTIVE & INNOVATIVE LEADERS**
Managers are no longer only expected to possess the technical knowledge to be great decision makers, but are also required to have developed the necessary soft skills that will allow them to succeed. During the Executive MBA, leadership skills, strategic thinking, and team management are enhanced so that our students can increase the impact they have within their organization taking their career to the next level.

**NETWORKING**
Networking is about becoming part of a community that takes you where they want to be and challenges your vision beyond boundaries. The weekly online sessions and group work together with the residential periods, an essential part of the blended experience, allow students to foment a deeper relationship and understand the different angles and viewpoints of their classmates.

**A UNIQUE LEARNING METHODOLOGY**
Employing IE’s pioneering Blended Methodology, the Executive MBA offers a 40%-60% split of face-to-face sessions and interactive online periods that provides the perfect balance between education and the obligations of an intense work schedule and personal life. Thanks to innovative use of new technologies, which allow us to replicate face-to-face teaching techniques, students are able to enjoy the same experience they would have in a traditional classroom during the online periods.

**COACHING**
One-to-one coaching sessions will be offered during the programme, improving students decision making skills and boosting performance. It will provide a fresh perspective on personal challenges and increase self-confidence that will help them achieve their goals.

Admissions & Financial Aid

**Requirements**

- Minimum 5 years of professional experience
- University degree or equivalent*
- IE Global Admissions Test, GMAT or GRE
- English language certificate
- Completed application form

* In exceptional cases, extensive professional experience and noteworthy career growth can replace this requirement.

The admission process

1. Application form
2. Admissions test
3. Interview
4. Final decision

We employ a rolling admissions process. However, given the competitive nature and the limited number of spots in this program, we advise that you begin the admissions process several months before the program opens. Admission is valid for two intakes, the initial intake of the application and the following.

We help you fund your program

In order to find solutions that help candidates who need to cover program costs, the IE Foundation provides financial aid thanks to contributions from alumni, corporations and anonymous donors.

For further information about the admissions process or financial aid, please refer to the website [www.ie.edu/executive-mba-english](http://www.ie.edu/executive-mba-english) or send us an e-mail to exmba.admissions@ie.edu.
