# TWO IDEAL LOCATIONS

**Enjoy the right university experience for you with the choice of two campuses - a truly international university campus in Segovia, and an urban campus in the heart of Madrid's business district.**

Gain an international outlook and global connections by studying with peers and faculty from around the world who bring a diversity of perspectives and experiences. Each year an average of 80 different countries are represented on campus with over 65% of our students coming from abroad.

**Over 80 nationalities**

**65%** OF STUDENTS FROM ABROAD

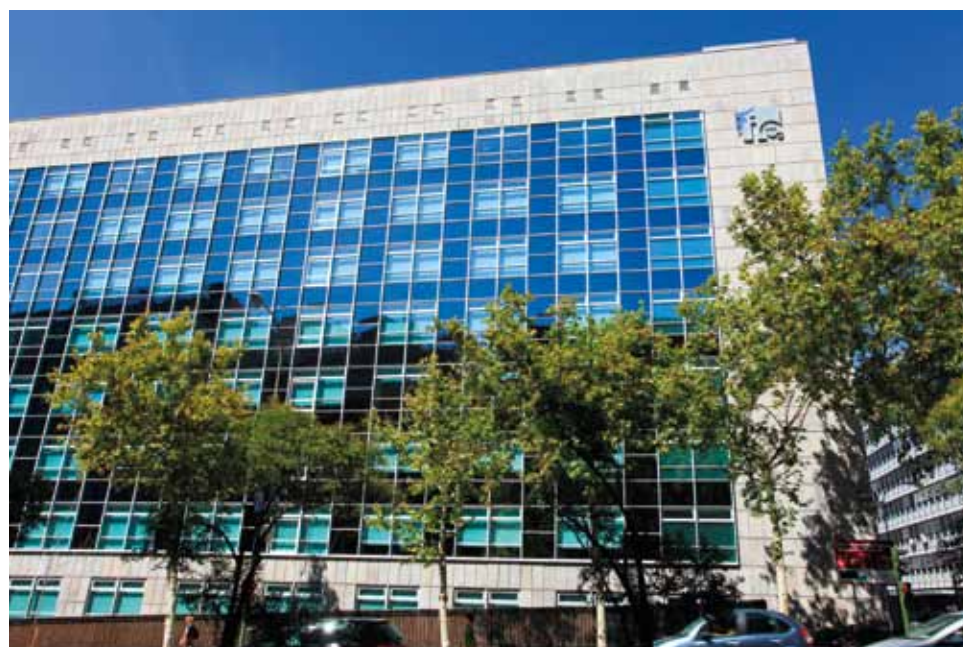

**15** STUDENTS PER PROFESSOR

**34** NATIONALITIES AMONG FACULTY

## Segovia Campus

The IE University campus in the city of Segovia offers a true campus experience. It is housed in the Convent of Santa Cruz la Real, a historic building declared a national heritage site in 1931. Segovia is only 25 minutes from Madrid by high-speed train, and welcomes students from over 80 countries to a global university setting, with an atmosphere that is both academic and lively.

## Madrid Campus

The IE University campus is located in the financial center of Madrid, a leading European capital. Our students benefit from a global learning environment, top-tier networking opportunities, and facilities equipped with the latest generation technologies – all shared with the prestigious top-ranked IE Business School and its multiple buildings.

# About AJE and the IE Foundation

**AJE is one of the largest multinational beverage companies, present in more than 20 countries in Latin America and Asia, and with 15,000 direct and indirect employees. Globally, AJE is the 10th largest soft drinks company in sales volume and the 4th largest producer of carbonated soft drinks (source: Euromonitor, 2011). With a strong commitment to “democratizing consumption,” AJE reaches out to new consumer groups and provides them with access to high quality products at fair prices. In addition to its flagship brand, BIG Cola, AJE’s product portfolio is rounded off with brands that include Cielo, Cifrut, Pulp, Sporade and Volt in the categories of water and juices, as well as hydrating and energy drinks. AJE’s vision is to be one of the top 20 multinational companies by the year 2020.**

**AJE and the IE Foundation have a shared interest in supporting progress in society through the training and education of human capital, in particular in emerging countries. Shaping high quality leaders is key to the development of successful business environments, production processes and the organizations that make up the business world. One of the key corporate values of AJE is entrepreneurship, and through its partnership with IE, the company aims to foster this value amongst young professionals, inspiring them to think big and make their dreams a reality.**

**The IE Foundation is the Institution in charge of ensuring that scholarships provide selected students with sufficient financial aid for the duration of their studies at IE (enrollment, tuition, accommodation, transportation and medical insurance). Students will also take part in a corporate program during the summer months focused on professional projects and practices, run in conjunction with the Director of Careers at IE.**
