

Dual Degrees

Master in Management - Masters of Laws (LLM)

“Unusual situations demand exceptional professionals”

1. Objective

In order to respond to the current market's demands, IE has recently created the **Dual Master in Management + Master of Laws (LLM)**, an innovative program that provides our student with the possibility of acquiring solid business and managing skills while obtaining a deeper knowledge in corporate and tax legislation.

Our Master in Management covers all the core fields of business such as entrepreneurship, strategy and accounting, whereas the objective of our Masters in Laws (LLM) is to train globally oriented legal and tax professionals with the best knowledge in tax and law thanks to the combination of an extraordinarily rich and varied faculty, programs based on the case-method and active research centers that bring together scholars, practitioners and students.

2. Student Profile

The dual degree MIM/LLM is aimed at those students, already admitted to the Master in Management, who are willing to pursue their legal studies, and who meet all of the requirements needed in order to be admitted to an LLM program.

3. Advantages

The following are just some of the advantages of this unique dual degree:

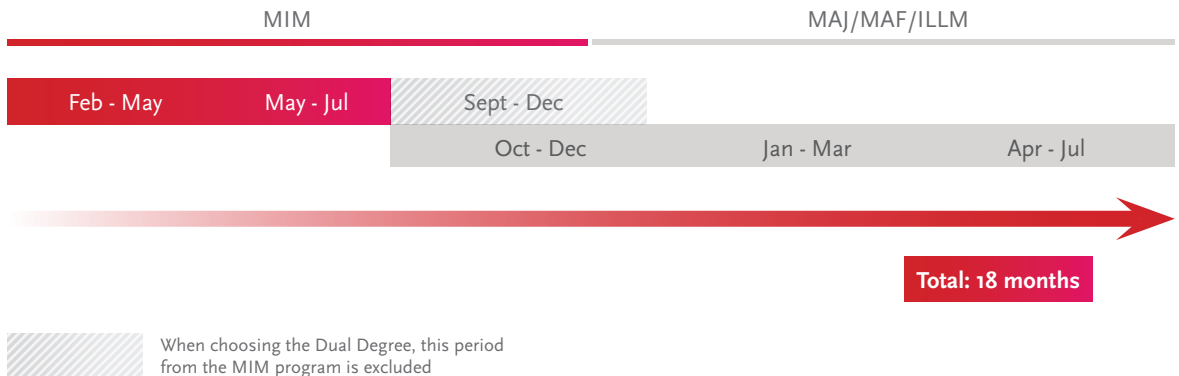

- Access a truly international atmosphere, with more than 80 nationalities present on campus and a faculty comprised of around 50% international professors who maintain strong connections with the corporate world.
- The Master in Management provides students with solid knowledge in multiple areas of business such as strategic and financial management, strategic communication, economics and negotiation.
- LLM students will grow to analyze, develop and implement effective solutions for complex corporate and regulatory problems involving multiple legal systems. The development of this ability promotes expertise and leadership in one's chosen field.
- Opportunity to obtain both degrees in 18 months.
- Benefit from all IE Services such as the Career Management Centre, the Student Office or all the entrepreneurship related services, and become a part of a strong network comprised of more than 45,000 alumni spread throughout 100 countries across the world.
- IE campus is located in the heart of the vibrant city of Madrid, a cultural hub which allows IE students to experience everything this city has to offer, including the possibility of learning Spanish, native language to 500 million people worldwide and the world's second business language.
