

SCHNEIDER ELECTRICS + IE PARTNERSHIP AGREEMENT

Schneider Electric and IE Business School, one of the world's top business schools, have collaborated to provide training to Schneider Electric employees to help them tackle the new challenges and needs of today's constantly changing environment.

In this Learning Hub, everyone in the Schneider Electric organization will find cutting-edge proposals from the IE ecosystem:

- ❑ **Insights:** The latest articles, case studies, videos, audio clips and infographics from faculty and experts on the hottest topics in business management, including strategies and actions to implement in your professional and personal development.
- ❑ **The entire IE training offer:** Russian Railways employees qualify for special conditions and can access programs via a personalized admissions process.
- ❑ **IE events** around the world on a range of advanced topics, open to Russian Railways employees.

CONDITIONS:

These conditions are valid for the IE XL programs only, not for master degrees.

- **Specialized Executive Education Programs of more than one month's duration and in Bootcamps:** partial grants of fifteen per cent (15%) of the tuition fees of the Program.
- **In Sector Programs and Specialized Executive Education Programs of less than one month's duration and in High Impact Online Programs (HIOPs):** partial grants of twenty per cent (20%) of the tuition fees of the Program.
