HOW DUAL DEGREES WORK

1.

Program Timing

- IMBA/MIM calendars in your Student Guide
- Potential program overlaps (example: Program I Exit Exams and Program II Start Module)
- Specialized Master's Degree calendars published once available

2.

Course Recognitions

- Specific to each combination
- Details in the DD Transition Session (May 2024).
- Standard or personalized options where there is content overlap

3.

Course Lists and Syllabi

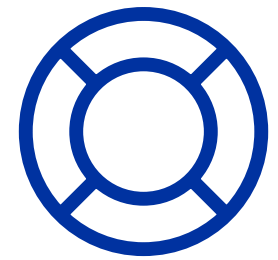

- General content information available from specialized master's teams
- Content and structure updates to stay relevant

KEY DD OPPORTUNITIES

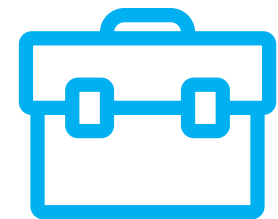

Leadership Roles

Dual Degree representatives, Specialized Master's Program, IE Clubs, etc.

Talent & Careers Access
