

INSTRUCTIONS to UPLOAD YOUR PROJECT TO THE PLATFORM

Please find the instructions to submit your project from today through **February 10** here:

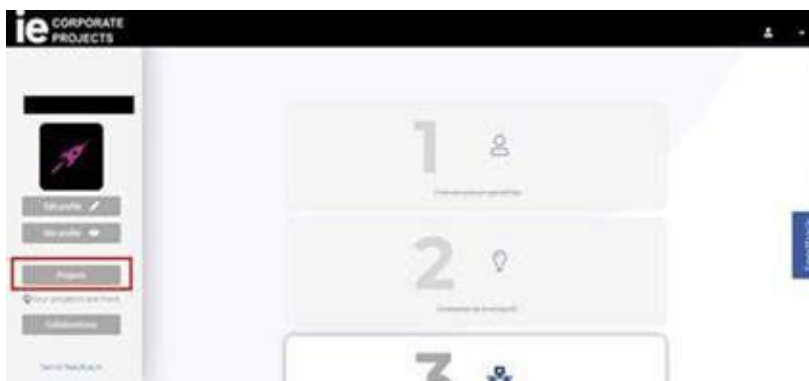

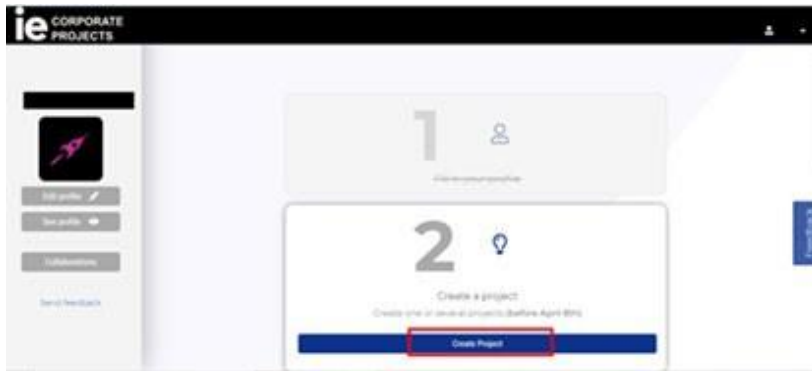

www.imbapartners.com

Fill in the company profile.

Create the project.

After the project has been created, you can access it by clicking under the **"projects"** tab that will appear on the left (such tab only appears when you have projects created). In order to view or edit the content of the project go to the project tab and click on the projects settings button (click the eye to view the content; click the pencil to edit the project).

We will review your proposals and send you approval or feedback (before approving the project we might need additional information or revisit the scope).
