How Does an
Internship Impact your
Job Search?

Myth Busting

“Doing an MBA means doing an internship”

“If I do not do an internship there is a blank academic period in the IMBA”

“Securing an internship is easier than securing a job”

“An internship is the only way to secure a full-time role”

“Most big multinationals look to hire MBA interns”

YOUR MASTER IS MEANT TO BE CUSTOMIZED TO YOUR JOURNEY

MBA Summer Internships have different weights across industries

1. Internships are important for sectors like Consulting, but not all
2. Students have had success with visa sponsorship in smaller firms,
3. Don't be afraid to make a proposal for an internship/projects
4. Internship: Try before you buy!
5. There are many ways to gain market exposure
 1. Internships
 2. Exchanges
 3. Labs

Work with your CDA to find the best route!

How to Use LinkedIn Talent Insights

When you open a LinkedIn Talent Insights report, go to the companies tab and you'll find a list of companies in that region or sector with active job postings.

On the next screen, to the right, you'll see the "job ads" label with a number. Click the figure to open a tab that will display the open job posts for that company.
