IE GENERATIONS

STUDENT USER GUIDE

IE Generations is our dedicated mentoring and networking platform that connects IE students, senior students and alumni for real career conversations, learning and community.

HOW DOES IT WORK?

1. You decide how you wish to participate - indicate whether you'd like to seek career advice, offer guidance, or both.
2. Connect with other users through virtual meetings requested via the platform.

Learn from Peers & Alumni and gain practical advice and real-world perspectives from the IE community.

Connect for Guidance & Belonging by building relationships that strengthen their sense of belonging within the IE ecosystem.

Gain Industry Insights through industry-specific career guides, company rankings and job search resources.
