

- Go to www.imbapartners.com
- We recommend that the company registers the Impact project, but if you are registering your Impact Project on behalf of the company, please register using your mentor's e-mail or your personal e-mail.

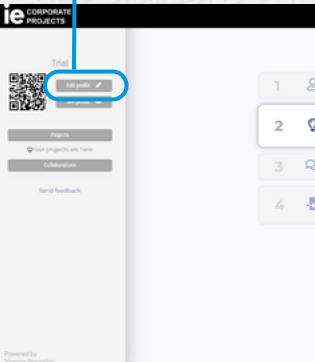

Step 1

- Please register with Google or register with your personal e-mail

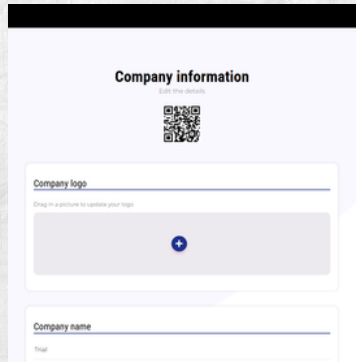

Step 2

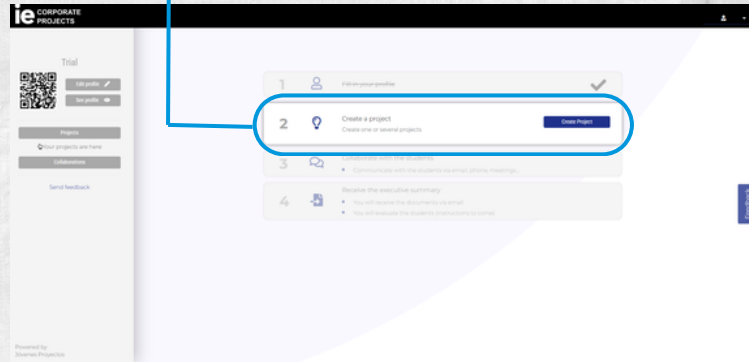

- Click on **Edit Profile**
- Please fill in all appropriate information of the company description, mentor's name and contact details
- If you are registering on behalf of your company, you can add your personal e-mail, but please rectify it as soon as you have your mentor's e-mail, as we will need this as we prepare for the project kick-off.

Step 3

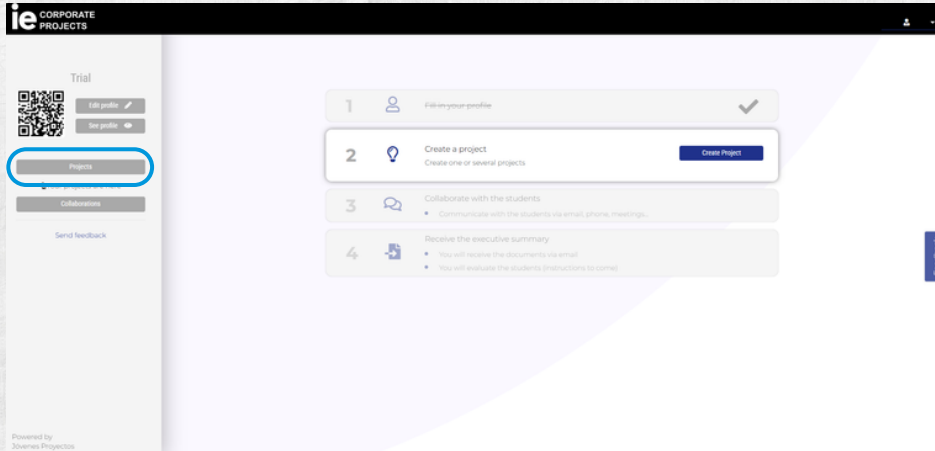

Step 4

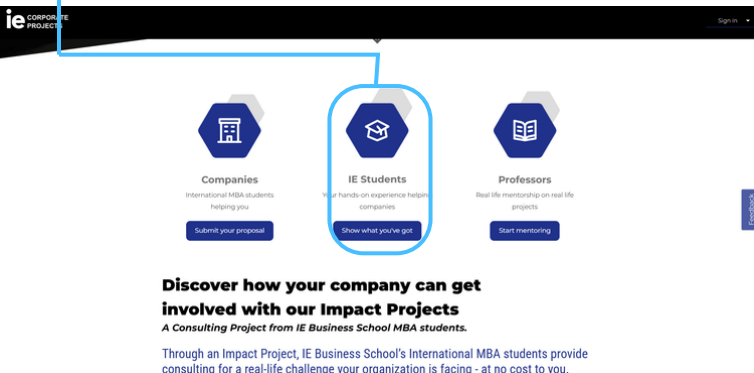

Step 5

- Click on **Create Project**
- Please fill in all appropriate information with the project title, project description and questions 1 to 6.
- Please ensure the challenge is clearly defined, including the sector and the areas of expertise required. This will help us match you with the most suitable mentor.

Once you have completed all the necessary information, we will review your proposals and send you approval or feedback (before approving the project we might need additional information or revisit the scope).

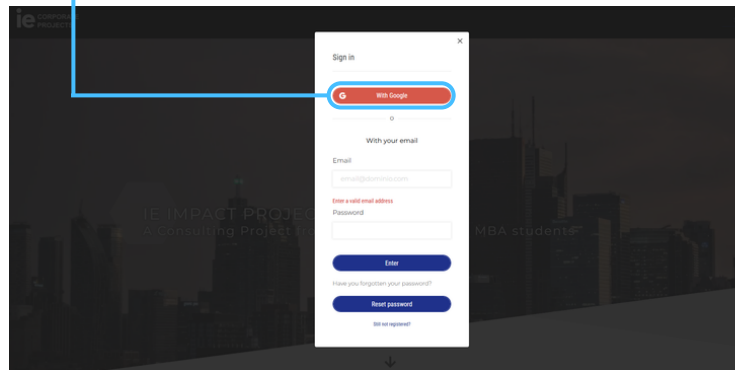

- Go to www.imbapartners.com
- For interested students to view the available IE Opportunities, they have to enter the portal as a student.

Step 1

- Please register with Google or register with your IE Student e-mail

Step 2
